GINKGO GENERAL MEETING

1-17-2025

The meeting was called to order by President Melisha Maxey at 7:15.

Tonight was our yearly Pizza Dinner. We started the meeting with Pizza.

Rick Lechner provided tonight's program. He highlighted Quartzite, Az with a slide show and short YouTube video. Pictures were of the Pow Wow Rock Show which takes place in January each year with over 250 vendors.

Show and Tell:

Diane Everhart, cufflinks with bloodstone and several Indian Necklaces.

R John Montgomery, various rocks off his job site near Quincy. Included Beacon hill Nodules, Crystals, and Agates. He suggested you make friends with the wheat farmers on the Plateau.

Raffle: Door prize was tubs of grit and went to Vickie Wright. Drawings of selected slabs went to Wanda Shaw, Carol Lechner, Melishia Maxey and Liz Hemberry.

David Earhart gave the treasurer's report. It was approved.

Herb Diede donated 5 Rock and Mineral books, free to members.

COMMITEES:

Gift Wrapping: Pam Lander is stepping down but will still help. She needs a replacement for later this year. This is one of our largest income producers so we need it to continue.

Museum Coordinator: This position needs to be filled. The sign needs to be corrected.

Club Website: Susan Oglebay is interested in a class that will be offered at WVC on February 4th. She plans to take the class and see where that will take us. Currently the fees have not been paid and the site is not working correctly. There is also a problem with the password.

Chelan County Fair: We need to start thinking about what we can display and start tumbling rocks for the kids.

NEW BUSINESS:

The Prospectors Gold Show is coming up soon. It costs \$80 for a booth which the club pays for. We have had booths in the past. The show is April 12-13 at the Chelan County Fairgrounds. Some discussion about a raffle at the Gold Show but not sure what that would be. A show of hands showed 4 people interested in selling their products at the booth.

Call Carl if interested in getting slabs cut.

Estate sale in Everett on February 8th if people are interested in carpooling.

The meeting was adjourned.

Liz Hemberry, Secretary

David Earhart will lead the trip. We will be meeting at the Hobby Lobby parking lot in East Wenatchee and leaving from there at 9 am to go find some pet wood. On Line Sales

Liz and I were recently in Tillamook, Oregon where we purchased a used Richardson Ranch 12 Inch buffer. The seller also had a large inventory of finished and rough rocks and minerals. She will be liquidating all of her inventory over the coming months and therefore is negotiable on prices. She quoted me prices that I believe to be at or below wholesale. She will split the shipping costs. Here is the link to her Facebook Marketplace page: <https://www.facebook.com/share/1ABNuD8t8i/> She only has a small amount of her inventory listed on here so feel free to inquire if there is something you're looking for. Also, feel free to make an offer.

Where's the Equipment

Several of our members have graciously provided homes for our shop equipment. They will make the equipment available to Club members by appointment so we can still cut and polish the stones we collect. Below is a list of equipment with phone numbers to call to arrange an agreeable time:
Pam Lander: A Genie and trim saw 509-884-5135
Jodi Rose: A Genie and trim saw 509-763-9402
